SAN FRANCISCO MAN OUTLINES FUTURE PLANS FOR D. C. BOYS' CLUB

Formulated plans were outlined for the Daly City Boys' Club by Harry Meyer, director of boys' clubs in communities such as ours. He stated that he was impressed at the turnout of fathers interested in the well-being of our youth and that with the spirit shown, the Daly City Boys' Club should prove its worth in our community.

A motion was passed for the selection of a full time qualified director who will have the direct supervision of all club activities. Meyers said that within a week the club would have someone to take over this job.

Daly City night at Seals stadium was approved for June 13 for the East vs. West all-star game composed of senior baseball stars selected from East Bay, San Francisco and Peninsula high schools.

The outstanding star selected the night of the game will be given a trip to New York to represent the Western All-Stars against the eastern All-Stars at Yankee Stadium.

Tickets for the June 13 game can be purchased from members of the boys' club. The boy selling the most tickets will receive a two-week vacation at Camp Marwedel, Mendocino county, which is under the supervision of the San Francisco Boys Club. Tickets are 50 cents each, of which 42 cents goes to the Daly City Boys Club.

Support your local club by buying tickets.

WANT TO WORK? HERE'S A CHANCE!

Work week end at Camp Mattrup will be held June 4 and 5 in order to recondition the camp for the coming Day Camp season. Odd jobs which need adult attention will be taken care of.

Parents and friends are invited to help. Bring along a saw, pick and shovel. For further information contact Mrs. Muriel Pabst, DE 3-7657.

Mysterious .38 Shell Found Lodged In Wall Of Daly City Home

A mysterious .38 caliber shell this week was found lodged in the casing of a rear door in the home of Pearl Caine, 393 Bellevue avenue.

The shell, evidently a .38 reload, according to a police officer's report, had dug in to a depth of 3-8 inches in the casing, four feet from the sidewalk in the backyard. The officer said that it looked as though the bullet came from over the roof of the house at 252 Frankfort street.

People in the neighborhood did not know when the shot could have been fired.

Mrs. Caine had called the police in to investigate the presence of the shell.

POLICE SEEK MOLESTER

Police are on the lookout today for a man or men reported to have been molesting young women and girls here this week.

On June 1 a girl was walking on San Diego avenue to classes at Jefferson Union High School at 7:45 a. m. when a man driving a black sedan accosted her. He said he would drive her to school.

Upon her refusal, he reportedly used obscene language. The girl described him to police as between 25 and 30 years old, stout, with brown, wavey hair, tan complexion, smooth-shaven, bareheaded and wearing a cream-colored shirt with brown stripes.

High school pupils were warned to watch for this man.

Previously, on May 31, two girls were walking south on Brunswick street near Evergreen avenue when a man of similar description was said to have indecently exposed himself, then walked east on Crocker avenue to Winchester street and got into a black sedan.

The man was described as 5 feet 7 inches tall, weighing about 170 pounds, between 28 and 30 years old, ruddy complexion, brown hair, wearing blue jeans, blue shirt.

Fall From Horse Brings Civil Suit

Elsie Xepoleas, 700 Athens St., filed suit recently against William Sabatini, proprietor of the Mar Vista Riding Academy.

The plaintiff claims she received a severe cerebral concussion when the horse she hired at the stables tossed her. She is asking for $16,000. Her attorney is Thomas L. Bocci of Fahey, Bocci and Gallen.

Government Business Census Will Start Soon

This is a Census year . . . but NOT the Census of population.

This year the government is counting our nation's retailers, wholesalers and service establishments—that is, our resources in distribution.

The census taker for Daly City is scheduled to start his canvassing soon, under the direction of John J. Boyle, district manager.

A federal law, passed in 1948, requires that a Census of Business be taken every five years. The need for a Business Census was originally expressed by the U. S. Chamber of Commerce, the American Retail Federation and many other leading merchants' organizations. It is the only way businessmen can get reliable information on an overall scale, about what is going on in the distribution of goods and services in all parts of our country.

All information given becomes strictly confidential.

No publication shall be made by the Census Office whereby the data furnished by any particular establishment or individual canbe identified, nor shall the Director of the Census permit anyone other than sworn employees of the Census Office to examine the individual reports.

There are only a few inquiries, so when the Census Bureau man comes to your place of business—Welcome Him! He is working for you.

The deepest known place in the Caribbean Sea, "Oriente Deep," is 23,748 feet, about 55 miles east of Cape Cruz, Cuba.

Lions Club Plans "Treat" For Traffic Squad

Members of the Jefferson Elementary School Junior Traffic Squad will be treated to the Seal-Oaks baseball game to be played in Seals' Stadium the night of Friday, June 3, when they will sit in box seats to view the game and be treated to cokes and hot dogs in recognition of the fine service they have rendered to the school during the past year.

Members of the squad attending will be Martin Carovano, captain, Alfred Schenone, Jim Fernandez, Richard Sirianni, Leonard Monson, John Dennis, Jack Plunkett, Albert Lagomarsino, Frank Bortoli, Charles Maynard, Roy Beeson, Joseph Bocci Jr., Edward Fuchs, Stanley Stanton, Jim Hutchinson, Allen Anthony.

Accompanying the boys will be Lions Club president Arnold Panella, Vice President Elio Fontana, Stanford Hannah, principal of the high school, D. C. Gensel of Daly City, and James L. Snell, superintendent of schools.

Tickets On Sale For Boys' Club Dance, July 9

Tickets are now on sale for the Daly City Boys Club benefit dance to be held July 9 in the Colombo Hall. They may be purchased at Lombardi Auto Station, Shannon Hardware, or from the parents of members of the boys club.

Proceeds of the event will be used to buy athletic equipment and recreational facilities. A name band will be on hand to furnish music for the dancing.

Better buy your ticket now for an evening of good entertainment.

Spring Festival Held Friday At Pershing School

A spring festival of folk dancing was presented at General Pershing school Friday afternoon, May 27, for the enjoyment of parents and other guests. About sixty guests attended, and were served cookies made at the school by children, assisted by teachers and mothers, after the program. Three hundred cups of punch, also made at the school, were served.

Hats off to the children, teachers and mothers who made those cookies. Two hundred and twenty dozen were made all together. The extra cookies were sold at twenty cents a dozen and the money will be given to the Pershing P.T.A.

Besides the teachers, these mothers helped: Mrs. George Freeland, Mrs. D. C. Gensel, Mrs. H. C. Holcomb, Mrs. Arthur D. Benofsky, and Mrs. Lyal Ingersoll.

Mrs. Raymond Pabst and the teachers trained the children, and Mrs. Pabst directed the dancing at the festival.

The dance program consisted of eleven folk dances, danced by school groups and Girl Scouts. Outstanding dances were the Circle schottische, the Oklahoma mixer, which was beautifully danced, and the Virginia reel, which was called for again and again.

Very clever dance programs, and cookie recipe books covers were copied by Mrs. Thomas R. Clarke from a folk dance folio belonging to Mrs. Pabst, and colored by the children of the 4th, 5th, and 6th grades. Miss Winifred McGrath, principal of Pershing, typed up the programs and cookie recipes and after being run off on the duplicator , they were cut out and pasted on bright colored paper, by the children, and clipped to make little booklets. The booklets of recipes sold for 10c a copy. They are still available to anyone who wants one. The cookies are delicious.

Among the guests who attended the festival were James Snell, district superintendent, Mrs. George Freeland, General Pershing P.T.A. president, and Mrs. D. C. Gensel, past president.

Youthful Burglar Caught

A youthful alleged burglar was jailed this week because of quick thinking on the part of a person at the New San Francisco Auto court.

Police had responded to a call from the auto court that a 16-year-old San Mateo boy wanted for burglary was at that place.

LIGHTS FOR NIGHT PLAY AT PARKS WOULD HELP RECREATION ACTIVITIES

Evening and night-time recreation for the young people of Daly City could be greatly facilitated by "Turning On The Lights." By this, of course, we mean installing suitable lighting arrangements at both Marchbank Park and Pershing Park for after dark recreation.

This is not a very expensive undertaking and would repay its sponsors many times over by providing a place where youngsters could enjoy night time out-of-doors recreation. City after city has found that night-time lighting at its parks and playgrounds has done wonders for the young people.

Although the city is planning a long range recreation program it seems that "Turning On The Lights" NOW would be a great help for the summer vacation period.

Trying the Real Thing

David Curtis, 13, prepares for a descent into the Navy's training tank at the San Francisco Naval Dry Docks, assisted by Chief Adam Sliwoski, left, and David's partner, Don Miback, 14. The two boys touched off a wave of "treasure fever" when David wrote the Penzance, England, Chamber of Commerce for specific information regarding ships sunk in that area. He described himself as a "deep sea diver with finances." The two boys later admitted they were only

$4 MILLION APARTMENT PROJECT TO BE BUILT SOUTH OF COLMA

Five hundred brand new apartments are scheduled to be built near Colma in about six months, renting for about $75 a month.

Ken Royce of Hillsborough and Max Schmidt, developer of the Meadow Glen tract in Millbrae, said that they are definitely going to build four million dollars worth of apartment buildings on Junipero Serra boulevard, just south of Colma.

Most of the units will have two bedrooms.

The project already has the approval of the Federal Housing authority.

"This is definitely going thru," said an official of Herman Baumann, architectural firm which drew the plans for the building. "It's not one of those things destined for a back file drawer."

Construction will start as soon as legal "red tape" is cleared away, the official said.

He could give no estimate on the completion date of the first units.

The development will be located on 33 acres ranging from Junipero Serra boulevard across El Camino Real to Colma's Old Mission road.

"Evening In Paris" Was Big Success

"An Evening in Paris" was the theme of the senior ball held Friday night in the Jefferson high auditorium.

A wonderful time was had by all, to the music of Steve Selvi's orchestra.

New Boy Scout Patrol Is Formed

Harold Diamond is the new patrol leader of the Pioneer Patrol of Troop 106. Other new officers are: Dale Fambini, assistant patrol leader; Howard Klein, patrol scribe; Billy Willers, patrol quartermaster, and Roger Gordon, patrol librarian and drill master.

The patrol has selected first aid as their next project. The boys are practicing artificial respiration.

The group meets at 7 p.m. each Wednesday at 610 San Diego avenue.

Regina Warchot Reigns As Queen At Campus Dance

Miss Regina Warchot, daughter of Mr. and Mrs. Louis Warchot of 3299 San Diego avenue was the Queen who reigned over the traditional ring dance of Quarterdeck, University of California campus midshipmen organization.

The annual dinner-dance was held May 20 in the officers club of the Alameda Naval Air Station.

The crowning of the Daly City Miss, who won the contest thru company competition, highlighted the evening's entertainment.

New Name Is Chosen For County Institution

The San Mateo County Preventorium will be known as the Children's Health Home in the future, it was officially announced today by Mrs. Ferdinand Stent, president, following a meeting of officers of the organization.

The change in name of the long-established county institution, located at 515 Poplar avenue, San Mateo, was decided upon to promote a better public understanding of the agency's scope and purposes, as well as a wider use of its facilities for the rehabilitation of children, Mrs. Stent said.

"The word 'preventorium' is generally associated solely with the prevention of tuberculosis," Mrs. Stent explained. "Since the Children's Health Home accepts and gives care to children who are below par physically for causes other than incipient tuberculosis, or who are convalescing from other illnesses, it is felt that the new name will give a better over-all picture of the home's present activities."

Mrs. Stent emphasized, however, that since children who are rundown physically for any reason are all potential victims of tuberculosis, the prevention of that disease will still remain one of the primary functions of the Children's Health Home.

Typical of the kind of cases cared for at the home are children with allergies, including asthma, minor heart ailments, or malnutrition.

As the San Mateo County Preventorium, the home was founded in 1920 by Mrs. Harry S. Dana, San Mateo, who served as first president of the institution and who still takes an active part in its direction as a member of the board of managers and president emeritus. Headed by Mrs. Dana, the agency undertook the task of caring for children in San Mateo county who were undernourished and threatened with tuberculosis, since no provision for this type of case was available at that time.

The home, an agency of the San Mateo County Community Chest, provides care and supervision for children from the ages of 6 to 14 who are residents of San Mateo county, free from communicable disease, and in need of specialized care. Bed patients are not eligible for admittance to the home.

Each case must be recommended by a physician, public health nurse, school nurse, or Red Cross nurse, and a complete physical examinaton upon admittance is required.

Supervision of the home is under the direction of Miss Aurore Gauvin, R.N. Two other nurses assist in care of the children, and a doctor who visits the home weekly examines and gives each child a periodic physical check-up.

Girl Scouts May Register For Camp

Day Campers, Attention!

Registration for the Daly City-Colma-Bayshore Council's summer camp at the Girl Scout Camp Mattrup will be held June 4 from 9:30 a.m. to 11:30 a.m.

Places of registration will be: Daly City — Peoria and Park View Scout houses; Colma—Community Center; Bayshore Scout House; Broadmoor Village — Community Center.

Only Girl Scouts will be allowed to attend the camp in the Colma hills. Brownies and scouts who saved camp stamps under the scout thrift program will be given first preference. Girls are reminded to bring their stamp folder with them when they register.

NEW LUCCA SUPERMARKET SET FOR UNVEILING SOME TIME IN JULY

Temporarily known as "Stanghellini's Open Air Market," because the front of the building is now torn out, Lucca Market is undergoing extensive alterations to become Daly City's newest supermarket some time in July.

Tom Stanghellini, manager announced today that business will go on as usual during "Operation Face-Lift."

He hopes that customers will not be too inconvenienced by the presence of so many carpenters, electricians, plasterers, "sidewalk superintendents," etc. He promises that Lucca Market will be one of the finest, most beautiful markets on Mission street.

Interior and exterior of the building will be entirely new, Stanghellini said. There will be a new refrigeration system throughout the store. Latest model counters, cash registers, and other fixtures will be featured at the new Lucca Supermarket.

One of the unusual ideas that will be inaugurated is an express checkout system, for those in a hurry. This means that if you want to buy only a package of cigarettes, a loaf of bread, or some other small purchase, you can be waited on right away at a special express checkout counter, separate from the regular counters.

The store will have a new 16-foot delicatessen service counter plus a new eight-foot self-service counter, also for delicatessen foods.

One of the latest types of indirect lighting will brighten the interior. The new flooring will be of asphalt tile.

Lucca Market is located at 7370 Mission street.

SCHOOL BOARD SIGNS CONTRACT FOR NEW SCHOOL BUILDING

LIVE IN SAN MATEO COUNTY—PAY MORE TAXES . . .

Your county tax burden is 44 per cent heavier this year than it was last year.

San Mateo county leads the Bay Area in tax increases.

These facts were brought out in a recent study conducted by the Bay Area council.

School costs have taken most of the tax revenue, the report said, but tax monies have been spent in increasing quantities on all local government activities.

Per capita taxes in the Bay Area ranged from a high of $75.37 in San Francisco county to a low of $30.16 in Solano county.

San Mateo county stood second at $75, only 37 cents lower than the San Francisco rate.

Average rate for 1948-49 in San Mateo county was $7.64 — well above the state average.

As one observer commented, "It looks like San Mateo officials can think of more ways of spending money than practically any other similar body."

Mothers Club, Holy Name Society, Dance June 4th

June seems to be a month especially suited to festivities: weddings, graduations, parties, etc. being very much in evidence.

The Holy Name Society and the Mothers' Club of Our Lady of Perpetual Help church evidently think so too for they are sponsoring a dance on Saturday, June 4, from 9 to 12:30, in the school auditorium at 80 Wellington avenue.

Several dances have been held in the auditorium and pronounced a great success as a good time was had by all, but this is the first time these two groups have jointly held a dance. So successful have been their mutual ventures that the members of both organizations hope that the pattern will repeat itself and if it does everyone should have a lot of fun.

The committee extends a cordial welcome to both the youngsters and the oldsters (if there are any of the latter in Daly City) but since some rules are, unfortunately, necessary, it has asked "no jeans, please." Come and join your friends Saturday night and dance to the toe-tickling rhythms of Eddie Harkness's orchestra. You won't be so-o-r-r-r-y!!!

VFW Posts Honor Dead Servicemen

Members of the Old Glory Post 2044, V. F. W. and auxiliary went to the Golden Gate Cemetery and the National Cemetery at the presidio Memorial Day to participate in honoring the dead servicemen.

Attending were Ethel Dorn, Bonnie Ellenwood, Nellie Jensen, Ruth Brouley, Clara Poket, June Wiley, Alex Allbertus, Ray Brouley and Cliff Wiley.

The Jefferson Elementary School Board signed a contract with Theo B. Meyer and Sons Tuesday for the construction of the Garden Village School. The company's bid of $115,480 was the lowest submitted. Construction will begin in 10 or 15 days according to James E. Snell, superintendent of schools.

Austerity plans for the school include 6 classrooms and a kindergarten. It will have clarestory windows on the north side and glass enclosed corridors. Radiant heaters will be used in the floor. The building itself will be frame, covered with stucco.

The assignment of fire insurance amounting to $71,000 coming due July 1 was made at the meeting of the board May 26. Portions of the insurance were assigned as follows: A. J. Gaggero, $15,000; Lagomarsino Agency, $15,000; P. Selmi, $10,000; W. Rector, $16,000; T. Laramie, $10,000; M. D. Battye, $5,000. The assignment is in keeping with the board's policy to assign insurance to all local agents on an equal basis, according to Snell.

After a letter was read from Mayor Paul Green requesting a "caucus" meeting with the City Council and School Board to discuss a possible agreement to deed the condemned Woodrow Wilson School to the City of Daly City, the board agreed to see if the meeting might be held before the public.

Superintendent Snell reported that the floors of the Woodrow Wilson primary addition have been poured and the heating units installed.

Special meeting of the board will be held Thursday, June 9 to discuss the preliminary budget for 1949-50. Present at the last meeting were Trustees Michael C. Callan, Fred Bertetta, Andrew Van Der Werff and Superintendent Snell.

New Ordinance Sets Up 921 County Jobs

A new county pay ordinance, setting up 93 more county jobs than were allowed a year ago has been adopted by the board of supervisors.

Of the 921 positions provided for, 25 are for elective jobs, 46 for the unclassified service, and 850 in the classified, or civil service category.

The salary ordinance, adoption of which is mandatory by May 31, determines the number of positions and salary ranges for the 1949-50 fiscal year. The total amount of money to be appropriated for wages is included in the combined county budget.

Public hearings on the overall budget will start Friday, June 10. Copies of the budget are now available to the public at the office of Controller Fred Beer.

Hearings may last no more than 10 days and the supervisors must adopt the final budget by June 30.

The Northern Part Of San Mateo County Was Just "Overlooked" -- So To Speak

Twenty-three miles isn't such a long jaunt these modern days but, sometimes, it does make quite a difference. And, although many of the county officials do know we of the Northern part of San Mateo County exist they also do "forget" us once in a while.

Last week we made a trip to the county court house to make a quick check with the county purchasing agent to find out why we received such a late notice on an invitation to bid on publishing the county delinquent tax list.

Well—we found out why! They just forgot us, brother. They just forgot us! Now wouldn't it be sensible to move the court house just a bit nearer to the center of the county? A few miles might make a big difference.

UN Building Progresses

Huge derricks pull girders into position for the 39 story Secretariat Building, first and tallest building under construction at the new United Nations Headquarters site in New York. More than a thousand tons of steel have been erected on the project so far.

TAX JOLT

Latest sales tax returns in California have got State officials worried. The figures show a drop of 5 per cent in the first quarter of the year as compared to the same period in 1948. If this trend continues there will be $15 million less from this source than had been anticipated. The decline in the sales tax "take" is the first in 11 years with the exception of the drop during the 1943-44 period.

Lower retail prices as well as the slackening sales volume are responsible for the change in the trend. The slide takes on added significance when it is realized that sales taxes make up 42 per cent of California's total revenues. What effect this development will have on the budget framers isn't clear as yet. It probably will — or should — inspire more economy in State finances and it may serve to warn the legislators not to dip too hastily into the $75 million "rainy day" fund. It would be well to keep that money intact just in case the going got rough later on.

FOUR BILLION OR BUST

President Truman says he still wants the $4 billion tax increase he asked for last January.

In the face of this insistence, one can only conclude that either the President is completely out of touch with the economic situation in the country, or is too stubborn to admit his mistake in asking for the increase.

Certainly, the $4 billion would not be raised merely by increasing tax rates -- even if Congress were willing to increase them. Taxes must come out of income, and when income is declining it just isn't possible to boost the "take" without seriously discouraging business initiative, and accentuating the downward trend.

It was comparatively easy to hike taxes during the period when manufacturers could sell everything they produced. Now production has caught up with demand and we have a real competitive market once again. This means a cut in the heavy profits of recent years and therefore less for the tax collector to share in.

The President can perform a genuine service to the nation by throwing his full support behind economy measures instead of trying to take more billions from the taxpayers. But economy seems to be a total stranger to Mr. Truman.

WHAT ECONOMY?

Democratic members of the Senate appropriations committee are reported to be planning a $3 billion cut in federal spending next year. Senator Harry Byrd of Virginia is repeating demands for a one-third cut in the Government payroll. The Republicans are demanding a five per cent slash in all spending. From this you can see that economy is bustin' out all over Washington — except in Congress.

With a fat deficit staring Uncle Sam right in the face the lawmakers go merrily along voting full appropriations for this and that, and in some instances even boosting the amount asked for. Haven't the boys on Capitol Hill heard how things are going around the country? If they haven't they'd better find out. The goose that has been laying golden eggs in such abundance in recent years is running out of gold. And what's more, he's getting tired of having so much of it taken from him. Unless Congress quickly adjusts its economic sights a good many of its members are going to join the unemployed after the next election.

DEBTORS' PRISON

That story from Vermont about two veterans being held in jail because they couldn't pay civil suit judgments is hard to believe. We thought the days of the debtors' prison were past. The law under which they are being held — and can continue to be held indefinitely — is 141 years old. That puts Vermont 141 years behind the times. The Legislature of that state should act at once, if it's in session, or at its first opportunity, if it isn't in session, to get rid of that statute. Meantime, something should be done to get the men out, but it may take public donations to the "freedom fund" which was started by a New York radio station to do it.

Letter To The Editor

Of interest to all California sportsmen is the legislative report by Virg Nover, representative of the Organized Sportsmen of California, who is at present in Sacramento, working to save what little fishing is left for the hook and line fisherman, specifically A. B. 2015. This bill was co-sponsored by our own Assemblyman Dolwig, along with Messrs. Hoffman, Thompson, Hagen, Weber, Brown, Coats, Lincoln and McCollister.

This bill is not proposition 6 and will definitely not eliminate the inland fishery, nor will it create ghost towns or put men out of work or stop operations. It will transfer the fishing to the wide and deep waters where more salmon can escape for spawning, and where the striped bass kill in the nets will be eliminated. The Interim Committee report shows that eight and one-half million pounds of fish are caught in the area which proposition 6 affected. The new bill will only affect about one and one-half million pounds of shad and salmon to provide and insure better runs for the future. This bill really affects all fishing. It will take the week-end pressure off of trout, because big fish will be available closer to home. That will help trout stream recovery.

Continued commercialization of our natural resources is robbing us of our recreational rights and depleting the fish supply to an alarming degree. It is hard to convince those who have taken the lion's share all these years, that the fish in the bay are indeed limited. It is hard to even talk conservation with the dollar sign blinding those who will not wake up. Yet conservation is the only thing that will insure a regular fish crop for the commerical fisherman, business for the resort owner, fishing tackle and bait shops, and all the other businesses that depend on the sportsmen. It is also the only thing that will keep the price of fish down, for as they become scarce, the price will go up.

This bill is now on the floor of the Assembly, and it is up to everyone to help it through. Truly a "people's bill," it is backed by no powerful lobby but the earnest endeavor of men and women and youngsters who have no desire to see a "fishless" California and an end to the one pursuit that everyone can enjoy. Wire or write your assemblyman or the Southern California Fish and Game Commissioners, Lee Payne at Los Angeles, Edwin Carty at Oxnard, and Harvey Hastain at Brawley, and enlist their support.

It is later than you think -- act now!

Gentlemen:

On behalf of the Mothers' Club of Our Lady of Perpetual Help School, we wish to express our gratitude for your cooperation in publishing accounts of our various activities.

To this may I add my personal thanks for the many courtesies and favors extended by your staff during my year's term as publicity chairman of the club.

The help given me at all times has been greatly appreciated and I know that the publicity given to our club has contributed in no small way toward making this the Mothers' Clubl's most successful year. It is not for nothing that many of our members have made use of the phrase — "saw it in the Record."

BIBLE COMMENT

Gethsemane Is Real Symbol Of Suffering

GETHSEMANE is indeed a symbol of suffering. We speak of those undergoing extreme suffering, and in agony, as "passing through Gethsemane"; but the Gethsemane, in the garden where Jesus agonized in waiting, watching, and praying, was not a symbol. It was a real and terrible fact. It was because of that suffering of "a man acquainted with grief" that Gethsemane has become a symbol of suffering; and the triumph of the Master in that dark hour ought to be a symbol of the way of triumph for others sorely distressed and oppressed.

Deeper than all else was the question regarding His destiny, and the Father's will. Was it the only way? Temptations similar to those that He had met at the beginning of His public ministry must have shaken Him in that hour. It was His doubts, rather than His fears, that were expressed in that earnest prayer that the cup might pass. And the triumph over all doubts and fears was in that calm achievement through prayer, "Nevertheless not as I will, but as Thou wilt."

Apart from its place in the whole Gospel story of tragedy, triumph, and good news, the experience in Gethsemane is significant for its revelation of the true humanity of the divine Christ.

Job's temptation in the acuteness of his distress was to "curse God and die." In the crisis of Gethsemane it is not all a matter of bearing pain, of enduring suffering. Back of all that, as many who have faced the crisis know, is the question, "Why? Why?" That question is not always answered.

God watches over the sparrow's fall, but we are not told why the sparrow falls. But to the waiting, watchful soul, in earnest prayer comes the answer as it came to the Master, the consciousness that God is near, and God is leading "Arise, let us go hence."

Out of Gethsemane came triumph.

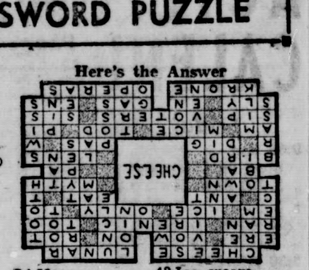
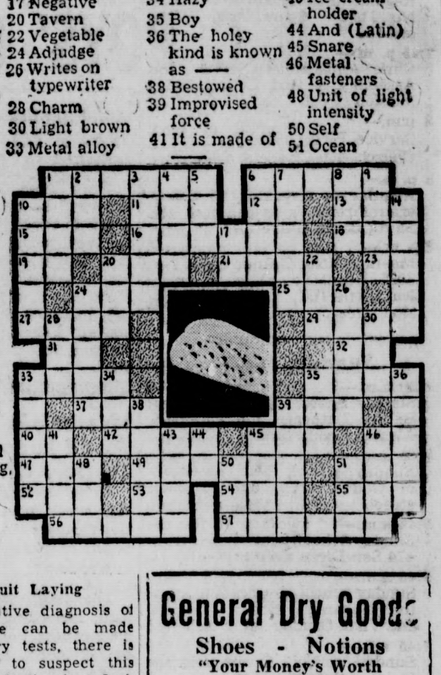
Here's the Answer





If Birds Quit Laying

Although a positive diagnosis of Newcastle disease can be made only by laboratory tests, there is plenty of reason to suspect this malady if egg production in a flock dips sharply—nearly to zero. A veterinary bulletin points out that a drastic drop in egg production, whether due to Newcastle disease or some other type of trouble, should be a warning for poultrymen to get a prompt diagnosis and start corrective measures at once. If the trouble is actually Newcastle disease, respiratory and nervous symptoms usually will be evident.

JEFFERSON HIGH GIRLS' SPORTS

By Claire Allen

For the past year, Jefferson has had a total of seven sports. Many people hear of the fun and competition gained from these sports, but hardly anyone hears about the work which goes along with that sport. The sports managers are the leading contenders for these positions. And because there has to be supervised leaders, the teachers also have to stay after school on their own time.

The manager for swimming was Pat Fawcett. Pat is a sophomore and received 25 points besides her 25 for participating in the actual sport. Pat had to pick up the towels, check attendance, and attend to all the details every day. The next sport, which was on schedule at the same time, was softball. The manager for this sport was Claire Allen. Her duties were to take out the bases, bats and balls and then carry them in again, as well as pick up towels. Each girl who satisfactorily completes any of these managerships receives 25 points besides the 25 for the sport.

The next two sports which were scheduled for the same time were archery and tennis. The manager for the former was Gail Broome. Gail was usually the last one out of the gym because of having to put away the equipment. Gail is only a sophomore, but, nevertheless, she was a capable manager.

The girls were really "on the ball" when they chose Ann Allen as a manager for tennis. She was as active in the sport as she was doing her duties.

Basketball's manager was Shirley Bane and because there were so many students out for this sport, an assistant was chosen, Bobbie Carroll, who also received 25 points. These two girls probably worked harder than any other managers.

The next sport on our calendar of sports was badminton. Barbara Stein was the manager and handled the job very efficiently.

The last sport was volleyball, which is still progressing. Adele Hansen is the manager and even though this is her first time at this position, she is proving very capable.

These managers deserve a lot of credit because they really work hard and hardly ever get mentioned, and if it weren't for their work, the games would not run as smoothly as they do.

The teachers for these sports were as follows: swimming, Mrs. Diederichsen; softball, Mrs. Parkhurst, who also handled basketball; archery, tennis and badminton, Miss Young, and volleyball, Miss Parent.

Jerry Piper Wins Three In A Row

Jerry Piper, runner-up to Fred Agabashian for the 1948 northern California midget auto championship, finally hit the winner's circle at San Francisco's Bayshore Stadium last week, and he'll be out tonight to make it two in a row at the Geneva avenue plant.

Piper's win at Bayshore last week was his third straight — he had won earlier features at Oakland and Belmont.

The trio of triumphs also marked Jerry's first wins of the 1949 season. He has been slow getting into a winning stride after last year's injury at Santa Rosa, but he appears in tip-top shape now, and will be tough to beat.

Time trials start at 7 p.m.; the first event at 8:15. A 25-lap main event tops the program.

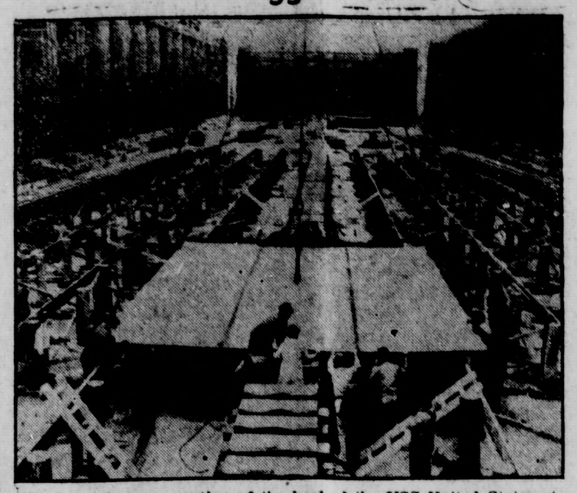
The Colma junior team beat the Denite team in a sizzling game Memorial Day ending in a 4 to 3 score. The senior team beat Union Square Garage in a 28 to 1 victory. The Sausalito Ice and Fuel team was defeated Monday 6 to 2.

Parker Garner is manager of the senior team. Victor Baher manages the junior Colma team while Dick Schultz is the coach.

World's Biggest Carrier



Workmen lower a section of the keel of the USS United States at Newport News, Va., beginning construction on what will be the world's largest aircraft carrier. Completion of the 1090-foot ship is scheduled for 1952. Total cost is estimated at $189,000,000. Too large for a regular launching, the super-carrier will be floated by water pumped into this basin from the James River. The huge floating airfield is designed to handle long-range planes weighing more than 100,000 pounds.

Social Security Cards Will Be Replaced If Lost

Social Security cards sometimes get lost, but it is literally impossible to lose your Social Security number, according to Ed Foley, manager of the San Mateo Social Security Administration office.

"Anyone who has lost his Social Security account number card can obtain a duplicate card for the asking," he said. "Application blanks are available at all Social Security offices and most post offices.

"If the worker has the stub of his original card, showing the account number, a duplicate can be issued immediately. Otherwise, we must check our central files for a record of the original number. This takes about 10 days."

"Students getting ready for summer work should be sure to get their cards before reporting for work. It is best to have this taken care of before the end of the school term."

The San Mateo Social Security office is located at 42 North B street, and is open from 9 to 5 Monday through Friday. Applications for original or duplicate account numbers and information concerning old-age and survivors insurance benefits may be handled by mail if desired.

CROCKER PTA GROUP TO ATTEND SCHOOL OF INSTRUCTION

President Florence Schmidt of Crocker PTA, together with her committee, will attend school of instruction of the 17th district at the Peninsula avenue school in Burlingame on Monday, June 6.

The following members of the committee will be attending with Mrs. Schmidt: Mrs. John Sorenson, financial secretary; Mrs. Albert D'Isep, treasurer; Mrs. Glenn Blackburn, finance and budget chairman, and Mrs. Harold Perro, program chairman.

Crocker PTA also announced that Mrs. James Jordan was appointed by the 17th district to be chairman of the Mother Singers choral group.

Nora Jurgens

Funeral services for Nora Jurgens, who died at her home in Colma on May 23, were held May 25 at Lasswell's. She was buried the same day at Olivet memorial park.

Mrs. Jurgens was 81 years old. A native of San Francisco she had lived in Colma one year.

She is survived by her husband Edward and her daughter, Margaret Pimentel.

Prepare for Lifting of Blockade

A maintenance crew in Berlin overhauls a locomotive which has lain idle since the imposition of the Russian blockade, in preparation for immediate resumption of rail traffic to Germany's western zones on the completion of blockade-lifting negotiations.

Public Is Invited To Attend Whist

The public is cordially invited to attend a monster afternoon dessert-whist to be given by the Mothers' Club of Our Lady of Perpetual Help School on Tuesday, June 7, at 1 o'clock in the school auditorium at 80 Wellington avenue.

Since this will be the last whist of the school term, a group of mothers of the past graduated pupils will comprise the committee and have promised an exceptionally nice affair. The whist committee will have Mrs. N. Marinakes as chairlady, with Mrs. W. Drury heading the refreshment committee.

TRY IT

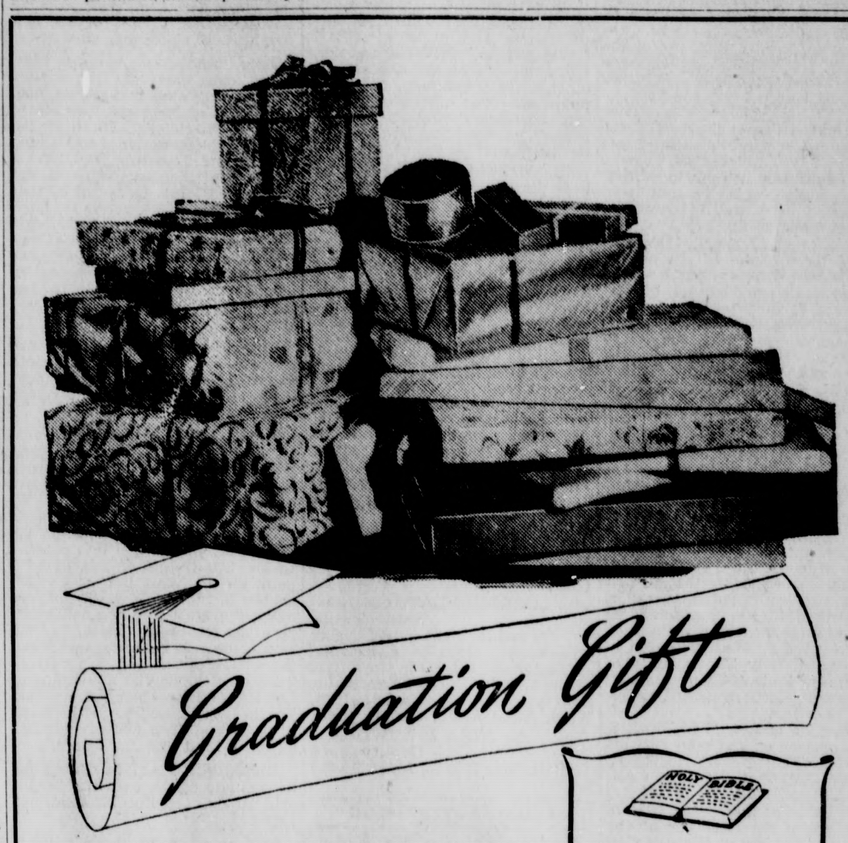
Why all this talk about the high cost of housing? It's still possible to build a house for very little if you do the work yourself — and gather your materials at night.

Spanish-American War

Spanish-American war followed the sinking of the battleship Maine in Havana harbor, February 15, 1898.

Radar and Storms

Radar was used during the war to "see" electrically the planes and ships of friends and foe in daylight, darkness or fog, far beyond the range of the human eye. With its radar a ship could navigate into a harbor in a pea-soup fog. Today scientists are using radar to map and study storms in a 200-mile circle around a weather station at Wilmington, Ohio.



A gift for the graduate! What shall it be? A pen, a watch, clothes, money? Yes, any of these gifts will bring joy to the young graduate.

And so it's just a matter of choice. We make our purchase, and see that the package is delivered with our congratulations.

It is natural and right that we should yield to these generous impulses. But at a time when young people begin their own careers, with their own decisions to make, we should see that they are fortified with gifts that make for character and good living. At this turning point in life, we should do all in our power to help them establish their careers upon the strong foundations of godliness, love, honesty, charity, and friendship.

Let us give our graduates gifts of lasting quality. By example and advice let us teach them the merits of Christian living. Let us bring them with us to our churches, where they will find the greatest gift of all—the gift of God's love.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

HOW TO FIX IT

By Tom Gregory

A SECTION OF AN OLD LOG OR TELEPHONE POLE WILL MAKE A SURPRISINGLY COMFORTABLE GARDEN SEAT AFTER IT HAS BEEN FITTED WITH A BACK AND ARM RESTS.
A BACK BRACE IS ADDED TO PREVENT ROLLING. THIS SEAT MAY BE MOVED ABOUT READILY AND CAN BE LEFT OUTDOORS DURING THE WINTER WITHOUT SUFFERING TOO MUCH FROM THE WEATHER.
TELEPHONE POLE OR SECTION OF A TREE
BACK BRACE
IF YOU ARE POSSESSOR OF AN OLD ROCKING CHAIR THAT IS TOO DECREPIT TO BE USED IN THE HOUSE YOU DON'T HAVE TO SAW IT UP FOR FIREWOOD. IT CAN BE MADE INTO A COMFORTABLE, ATTRACTIVE LAWN CHAIR AT THE EXPENSE OF ONLY A FEW MINUTES' WORK.
THE LEGS OF THE CHAIR SHOULD BE SAWED OFF IN ORDER TO GET THAT DESIRED COZY BACKWARD TILT. THEN INVERT THE ROCKERS AND FASTEN THEM TO THE LEGS WITH LONG WOOD SCREWS.

Hessian Fly Again

Wheat jointworm, ranking next to Hessian fly as causing heavy losses to the wheat crop, was present in many fields this past season. The areas most heavily infested were southern Illinois, central and southern Indiana, southwestern Ohio, Kentucky, and several localities in Missouri. The department of agriculture is warning farmers to make use of known control measures to avoid severe and widespread infestations in 1949

Coffee, Haitian Mainstay

Since the founding of the Haitian republic 145 years ago, coffee has been the mainstay of its economy. In recent years such products as sugar, sisal and bananas have been developed largely by foreign capital and under foreign control, but the great crop upon which more than any other, Haiti's many peasants depend for the little money they must have for their purchased necessities is coffee.

YOUNG FOLKS

Dad Has to Live Up to His Job

FATHER'S DAY is June 19 this year, and the National Father's Day Committee has set aside the month from May 19 to June 19 as Father-Child Month "to build a strong America through wholesome child upbringing."

Well, Dad deserves it, speaking in all modesty of course. Very often Dad comes in for a lot of kidding, he's the fellow that takes it on the chin while Mother gets all of the sentiment. Not that Mother doesn't deserve what she gets, but Dad also ought to have a little of the heart warmth that's associated with being a parent.

Here are the 10 things that Dad does or is supposed to do:

1. He develops in his home an appreciation for our traditions and customs. He wants you to be proud of your country.

2. He makes his child feel secure. Dad not only makes the money, but he protects you in all kinds of ways.

3. He teaches that intolerance and bigotry have no place in our way of life. There are good people of all races and all creeds—the best way to judge others is by character and brains.

4. He develops in his home a respect for the character and accomplishments of other peoples of the world. We don't know everything—we can learn a lot from other lands.

5. He shares in his child's activities. Boys and girls should let Dad play with their electric trains and model planes once in awhile.

6. He sees to it that he and his family (that includes the youngsters, of course) take an active part in community life. He wants us to lend a hand in making this a better town.

7. He is always available to help solve youthful problems. When you're in trouble, go to Dad.

8. He trains his child for leadership. He wants you to be able

to take charge of a family and make a living someday.

9. He strives to be the man his child thinks he is. Of course, we often suspect that Dad isn't as high powered as he seems, but as long as he tries, we'll give him credit.

10. He teaches his child that our great material blessings are meaningless without developing spiritual values. Money isn't everything. Do unto others as you would have them do unto you.

That's quite a program for Dad, but if he tries to come up to it wink at his shortcomings and give him encouragement. He's a good guy.

Teen Time

Does your mother worry needlessly when leaving home? The next time she frets, "We must get back right away. I'm positive I forgot to turn off the gas," tell her casually, "Forget it, Mom. The fumes will escape, because I'm sure I left the front door open."

Hot Coffee

Colonial New Englanders flavored their coffee with powdered mustard instead of sugar.

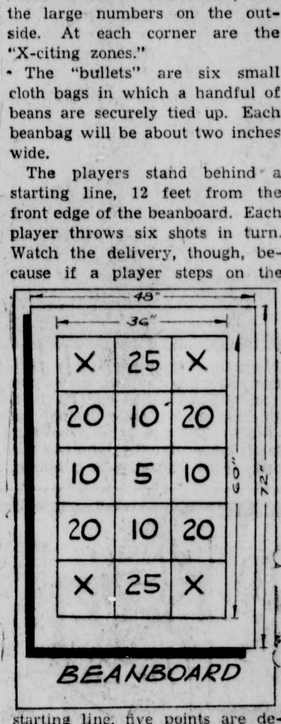
New Beanbag Game

THE idea of this game is to toss small beanbags onto a rather tricky scoring board. It is definitely a family game where all can join in the fun.

As you see, the beanboard has 15 12-inch squares. The small numbers are in the center, and the large numbers on the outside. At each corner are the "X-citing zones."

The "bullets" are six small cloth bags in which a handful of beans are securely tied up. Each beanbag will be about two inches wide.

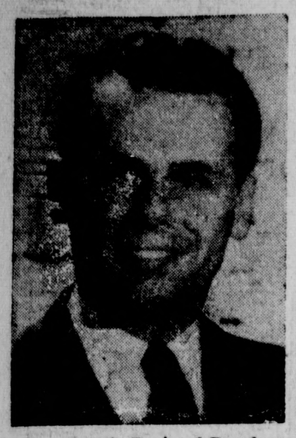
The players stand behind a starting line, 12 feet from the front edge of the beanboard. Each player throws six shots in turn. Watch the delivery, though, because if a player steps on the



starting line, five points are deducted from his score, and if he steps over the line, 10 points are deducted.

To score is an interesting business. If a player throws a bag on a near X square he must cancel his entire score for the six shots. If he lands on a far X square he must double his total score on the six shots. If a player lands on both a near X and a far X, one cancels the other, and he scores normally on the remaining shots. A bag touching any line on the board does not count. It is just a wasted shot. To score, a bag must fall clearly within one square.

SPECIAL EVENING SERVICES SET FOR THIS WEEK AT GRACE CHURCH



Rev. Roy A. Bevin of Pasadena, who will deliver a special one-week series of sermons at the Grace Church of the Nazarene starting this Sunday evening.

Grace Church of the Nazarene will hold a one-week series of special evangelistic services beginning Sunday, June 5, with Rev. Roy A. Bevin of Pasadena in the pulpit.

The services will be held at 7:45 every evening except Saturday, June 5 to 12, inclusive.

Rev. Bevin is a graduate of Pasadena College. He has served in southern California as youth evangelist and is now devoting his full time to evangelistic work.

The young people of the church will furnish the special music. All friends and members are urged to attend these meetings.

Slumber Party Honors Graduates

Miss Adrienne Allain and Miss Floria Naccacini were co-hostesses at a slumber party given recently in the former's home in honor of the graduating class of Mercy High School.

The evening was spent playing games and dancing. Refreshments were served.

Those present were Jane Adams, Arienne Allain, Doris Bond, Mildred Connell, Joel Boasso, Nancy Drury, Nancy Jones, Lois Matzek, Dolores Moiss, Beverly Minotto, Gloria Naccacini, Gloria Parmisano, Mary Peters, Carolyn Ruggeri, Loretta Sontero, Frances Steffy, Maureen Sullivan, and Janet Weibring.

Meaning of Hoosier

Indiana's nickname, "Hoosier," is believed to come from the old Saxon word "Hoozer," which means "hill dweller."

Miss Gail Valine And Leo Collar Unite In Marriage

Miss Gail Valine, daughter of Mr. and Mrs. Millard Valine of 132 Miriam street, became the bride of Leo Linford Collar of San Francisco during an impressive candlelight ceremony performed in the Grace Church of the Nazarene at 8 p.m. Friday, May 27. The ritual was read by the bridegroom's father, Reverend Leo Collar. Assisting in the double ring ceremony was Reverend D. C. McKisson.

For the marriage the bride wore a toast-brown tailored suit, a white picture hat and a beautiful white orchid corsage. Preceding the bride down the aisle was her maid-of-honor, Miss June Lemon, attired in a chestnut brown suit with pink accessories and a corsage of pink rosebuds.

Charles Collar, brother of the bridegroom, was best man. Ushers were Messrs. Hubert Webb and Leo Lemon.

Miss Jo Wheeler sang two solos, "All for You" and "I Love You Truly." A duet, "Ah, Sweet Mystery of Life," was sung by Reverend and Mrs. Merlin W. Swafford of Alameda, later followed by "The Lord's Prayer" beautifully sung by Mrs. Betty Swafford.

The reception, immediately following the wedding, attended by more than one hundred and thirty guests and relatives, was held in the church social hall. It was here the many gifts the couple received were displayed.

On the return from their honeymoon at Lake Tahoe the newlyweds plan to make their home in San Francisco. The new Mrs. Colar was a graduate of Jefferson Union High School, class of '48.

Rev. Joseph Bennett Announces Sermon Topic For Sunday

The second sermon on the Lord's Prayer at the Ocean View Congregational Community Church will be titled "Hallowed Be Thy Name," according to Rev. Joseph Bennett, pastor of the church. The sermon title is the second sentence of the Lord's Prayer.

Child care will be provided for children of parents who wish to attend the 11 o'clock service.

Sunday school will be held as usual at 9:45 a.m.

Standing Guard

Gerard "Smithy" Menuhin, 9-month-old son of Mr. and Mrs. Yehudi Menuhin, seems to enjoy the task of watching his famous violinist-father's priceless Stradivarius and Guarnerius violins, in the canvas case, while his parents clear through customs at New York's LaGuardia Field. The family arrived from London en route to its Alma, Calif., home. Smithy, who was born in Scotland, has made three transatlantic crossings.

Kenneth John Gillespie and his bride, the former Lillybell Dorothea Fletcher, are shown with their attendants after their wedding ceremony performed at 11 a.m. Saturday, May 28, at St. John's Presbyterian Church. The couple left for a one-week vacation in British Columbia after the ceremony.

Doings At The Woodrow P. T. A.

Mrs. William M. Cheatham, president of the Woodrow Wilson P.T.A., will introduce Mrs. Henry Adami, program chairman, and Mrs. Harold Riley, treasurer, to the district executive board Monday, June 6, at the Peninsular Avenue School, Burlingame.

Mrs. William M. Cheatham, 61 Muirwood drive, will be hostess for the Woodrow Wilson P.T.A. executive board Tuesday, June 7, at 1 o'clock. This is the final meeting of the executive board this term.

Ball-point pens on key chains were the individual gifts presented to Miss Helen Day and her class who won the Woodrow Wilson P.T.A. Attendance Banner regularly this past term. Presentation of the gifts was made by Mrs. Manney Johnson, room mother for this class.

All members of the Parent Teacher Associations in this vicinity and their friends are invited to attend the "P.T.A. Get-together" Saturday evening, June 11, at Bellevue Hall, Whittier and Bellevue avenues, at 8:30 p.m. The music will be furnished by a four-piece orchestra. A nominal fee of fifty cents will be charged. Refreshments will be served by your hostess, the Woodrow Wilson P.T.A. In charge of the informal get-together are Mesdames Henry Adami, Carl Berg, and William M. Cheatham.

Bridal Shower Held For Lea Latti Saturday Eve

A bridal shower for Lea Lotti, who will be married to Lorrin William Martinelli on July 3, was held at the firehouse of Company No. 6, on Werner avenue, the evening of May 28.

Mrs. Sylvio (Pat) Bollentini and Mrs. Laurino Martinelli were co-hostesses for the affair.

Martinelli and Miss Lotti will be married in Madera — where at present the bride-to-be lives with her parents, Mr. and Mrs. Peter Lotti. The parents of Lorrin are Mr. and Mrs. Laurino Martinelli of 7 East Market street, Daly City.

When they return from their honeymoon the couple will reside in Madera where they are now building their future home.

Table decorations at the shower consisted of a large centerpiece made of crepe paper and baby roses. Standing on it, under an archway of baby roses were dolls dressed as the bride, groom, maid of honor, and two bridesmaids. Also on this centerpiece were a silver clock, a silver tower of bells, a wishing well, and a guardian angel standing over a slipper (signifying that the guardian angel would watch over the bride's steps through life).

Two large cakes also graced the table. They were both decorated with love birds and a large basket of flowers.

Walter E. Beale

Walter E. Beale of 38 Beta street, California resident for the last 10 years, died May 29 in St. Francis hospital in San Francisco of natural causes. He was 48 years old.

He was the father of Jack Beale and the son of Mrs. Ida Beale. Also surviving is his brother, William H. Beale of Los Angeles.

Beale was a member of San Francisco Aerie No. 5, F.O.E., and worked as a clerk for the Keystone Leather Goods company. He was a native of Gallup, New Mexico.

Funeral was held at Lasswell's on May 31, interment at Cypress Lawn.

Women's Civic Club Met Thursday

The regular meeting of the Women's Civic Club was held Thursday at the home of Julia Byrne, 448 Irvington street. Proceeds of two cootie games which were held in the home of Rose Wallan and Masie Boyle will be divided between a crippled children's fund and a cancer fund.

A beautiful leather wallet was given to Ann Eason in appreciation of civic activities which she has participated in.

After a social hour, the hostess served refreshments. The next meeting will be held June 21 at the home of Marie Gahrig, 342 Irvington street.

ANNOUNCE-UM NEW PAPOOSE IN FOX TRIBE

Congratulations to the Foxes—and pass the cigars!

We received the following communique from Mr. and Mrs. Jim Fox this week:

"Announce-um New Papoose to the Daly City Rod and Gun Club.

"It come pretty darn early on May 26 at 8 a.m.

"It name Steven Ernest — 'brer fox' for short.

"It weigh 6 lbs. 14 ozs. — 20½ inches long — almost as big as a good size trout.

"It tribe headed by Brave Jimmy Fox and Squaw Laurine.

"Being the winner of the State liars championship contest three weeks ago, you may not believe this, but — the baby was born with a brass salmon fishing spoon in his mouth. And, so help me, while under the ether my wife was talking about our last year's fishing trip and planning another next year with the new fisherman. Guess I'll have to dig up an old fishin' sinker for him to teeth on. . . Jim Fox."

Mrs. Sullivan To Head The O. L. P. H. Mothers' Club

Mrs. Theresa Sullivan will be installed as president of the Mothers' Club of Our Lady of Perpetual Help School to succeed Mrs. Valetta Ennis, Wednesday evening, June 8, at 8:15 in the school auditorium. Since the eighth grade graduation will be on Friday, June 10, the club's regular meeting night, the meeting will be held on Wednesday, June 8, instead.

During a candlelight ceremony, Mrs. Isabelle Liberti, junior past president, as installing officer will charge the officers-elect with their duties. Mrs. Liberti will be assisted by Mrs. Sophie Klingler, the club's first president, who will act as marshal and seat the following officers, in addition to President-elect Theresa Sullivan: Mrs. Mary Calegari, vice president; Mrs. Jean Denning, recording secretary; Mrs. Lee Miller, corresponding secretary; Mrs. Sue Hopman, financial secretary; Mrs. Camille Clark, treasurer; Mrs. Ann Drury, auditor; Mrs. Mary Dobyne, Mrs. Lillian Brooks, Mrs. Bonnie Whalen, Mrs. Janet Fellman, Mrs. Bessie Linhares, board of directors.

A social evening will follow the regular meeting, with the seventh grade mothers acting as hostesses under the direction of Mrs. Esther Nolan, hospitality chairman.

Lots Of Talent Is Found In Youth At Nazarene Church

There is apparently no shortage of talent among the young people who attend the Nazarene church if the Sunday evening service on May 29 was a fair indicator of the talent obtainable. The song service, which was mainly request numbers, was so well supplied that many of the requests for music and special songs had to be postponed until a later date because of the lack of time.

During the week of June 5 to 12 the young people will be in charge of the music for the special services that will be held every evening at 7:45 p.m., with Roy Bevins of Pasadena as special speaker. Bevins will also speak at the Sunday morning services at 11 a.m. on June 5 and June 12. The public is invited to attend any of these services.

On Saturday, June 4, the Junior Boys' class of the Nazarene Sunday school will meet at the church at 1:30 p.m. and go with their teacher, Mrs. Martha Sokol, to the Jefferson Union High School pool for an afternoon of swimming. Any boys, between the ages of 9 and 12, are welcome to go with them.

Gen. Pershing PTA News Column

One of the chief items discussed at the executive board meeting, held at Mrs. Robert Pool's, 744 Bellevue avenue, May 26, was the need for, and means of acquiring, a new stove for the kitchen at General Pershing. All agreed that a new stove is badly needed. A committee was appointed, chairmaned by Mrs. John Eason, to shop around and see what could be found in a six-burner gas stove with an oven. The stove must be in good condition, both as to cooking and appearance. If someone who reads this knows of such a stove please contact Mrs. John Eason, JUniper 7-5376. Mrs. R. F. Traxler and Mrs. A. S. White are also committee members.

The General Pershing dinner to be held Wednesday, June 8, from 6 to 8 p.m. was also discussed, with last-minute details being put in order. All who wish a good home cooked dinner, with no work attached, are invited to attend.

Another item of much interest to the executive board was the silver at General Pershing. It seems that it is beginning to show its age. Anyone who has ever served food at Pershing affairs feels a vital interest in obtaining new silver. Many suggestions were brought forward for doing this, but so far nothing definite was decided upon. There will be further discussion on this subject.

All members of General Pershing P.T.A., indeed all parents of school children at Pershing, are most cordially invited to attend the regular meeting Tuesday, June 7, at the school. We need you, we would like to meet you. Please come.

Nuptials Are Celebrated May 28 In S.F. Church

St. John's Presbyterian church, Arguello and Lake streets in San Francisco, was the setting for the marriage on Saturday, May 28, of Miss Lillybell Dorothea Fletcher and Kenneth John Gillespie. Officiating at the 11 a.m. ceremony was the Rev. Lloyd R. Carrick.

The bride, daughter of Mrs. Lillian D. Fletcher, was escorted down the aisle and given in marriage by her brother, Leon Charles Fletcher. Her ballerina-length frock was of ice-blue satin, styled with an oval off-the-shoulder neckline, small puffed sleeves, fitted bodice and very full skirt. Her mitts and slippers were of matching ice-blue satin and she wore a wreath of stephanotis with streamers of satin matching her dress.

A lavaliere of pearls and sapphires, her only jewelry, was the bride's "something old," and a square of duchess lace, loaned by Mrs. William P. Streiff, was the "something borrowed."

The bride's old-fashioned bouquet was of white orchids, gardenias, and stephanotis.

Mrs. Edward G. Koeller of Oakland, the former Miss Virginia Adams, was the matron of honor and sole feminine attendant. Her dress was of sea-foam satin, ballerina length, and fashioned with a square neckline, cap sleeves and a full skirt. She wore a bandeau of deeper blue delphinium and carried an old-fashioned bouquet of delphinium and yellow roses.

William P. Gillespie was his brother's best man and Eric Gillespie, the bridegroom's other brother, was the usher.

For the nuptials, the church was decorated with white gladioli, stock and gardenias. Candles were lighted by Mrs. Leon Charles Fletcher, the former Miss Vivian Logan of Alvarado. She wore an ensemble of shell pink.

After the ceremony a reception was held at the bride's home in the Parkside. The couple received felicitations before the fireplace, which was banked with white gladioli, stock and delphinium. Similar flowers were used throughout the house, and gardenias decorated the base of the three-tiered wedding cake.

The newlyweds are honeymooning in British Columbia, after which they will live in San Francisco.

The bride, who is the granddaughter of Mr. and Mrs. Charles A. Wetzel of Washington, D. C., is the niece of Misses Emma and Julia Fletcher of Los Angeles, Mrs. William C. Young of Rye, N. Y., and Charles H. Wetzel of Washington, D. C.

Now a staff member of the financial department of the San Francisco News, she is former society editor of that paper. She attended Daly City primary schools and was graduated from Jefferson Union High School, where she was affiliated with the California Scholarship Federation. Later she attended San Mateo Junior College and San Francisco State College.

The bridegroom, son of Mrs. John W. Gillespie of San Francisco and the late Mr. Gillespie, was born in Grangemouth, Scotland, and received his early education in that country. He received his United States citizenship at the start of the recent war and served with the U. S. Navy. He is a past president of the 20-30 Club of San Francisco.

For the wedding Mrs. Fletcher wore an afternoon dress of navy blue crepe with a blouse of pastel tones and a matching navy bolero jacket. Her hat was of blue straw, trimmed with pastel flowers, and her corsage was of cream cymbidium orchids. The benedict's mother is currently visiting in Scotland and was unable to attend the ceremony.

Colma P. T. A. News and Notes

Mrs. Virginia Stanghellini entertained the Colma P.T.A. executive board in her home May 25.

During the afternoon plans were made for the Father's Night potluck dinner to be held June 7 at 6:30 p.m. at the Colma Community Center, Dunk street.

All parents of children attending Thornton School, Jefferson Eelementary School, and the Broadmoor Community Center School are cordially invited to attend.

The entertainment will consist of a movie entitled "Camp Life" and community singing.

Judith Jespersen Becomes Bride Of Wm. Christopher

Mr. and Mrs. C. P. Jespersen of 238A Los Banos avenue are announcing the marriage of their oldest daughter, Judith, who became the bride of Billy Christopher of Stockton.

The wedding was performed by the groom's father, Rev. Charles Christopher, at the Pentacostal Church of God in Stockton on Mother's Day, May 8. The bride, who was given in marriage by her father, was attired in a white suit and all white accessories and wore an orchid corsage. Her maid of honor, Miss Barbara Ann Jackson of Stockton, was attired in an aqua suit with white accessories and wore a pink camelia corsage. Merle Lightsay of Bakersfield, cousin of the groom, served as best man. Miss Louise Butler of Stockton was their soloist and sang both "I Love You Truly" and "Always." The church was beautifully decorated with orange blossoms and roses.

Immediately following the wedding a reception was held in the social hall of the church with approximately ninety guests in attendance. The bride's mother chose a pale blue dress with rose-colored accessories and the groom's mother wore a grey suit with white accessories.

The newlyweds have just returned from their honeymoon and are now residing in Stockton where they are both employed.

Guests attending the wedding from the Bay Area included Judy's sister Florine and her brother Bill. Also Judy's grandmother Mrs. W. F. Hicks, Mr. and Mrs. H. R. Woodard, and Mr. and Mrs. D. C. Astleford and son.

Happy Birthday!

By Harry Castiglioni

Before we begin on this week's list of birthdays, we'd like to send belated best wishes to Gloria Scramaglia of Colma, who observed her natal anniversary on May 28.

Now for the Happy Birthday List:

On June 3, we send greetings to Ray Calderon, 158 Los Olivos avenue, and Darlene Hornick, 15 First street.

Ethel Harris, 239 Peoria street, and Milton Levitan, 1731 Louvain drive, come into the birthday spotlight on June 4.

Scheduled for June 5 birthdays are Mrs. William H. Wake, Standford, California, and Mrs. M. Firpo, 290 St. Charles avenue. Then on June 6 G. Denattei, 169 First avenue, and Catherine Roble of Colma get in the birthday parade, along with Diane Sawin, 1663 Sweetwood drive.

Norma Rigler, San Bruno, Catherine Kahle, Colma, Walter Koslosky, San Bruno, and Carol J. McLoone, 43 Werner avenue, will also celebrate on the sixth.

June 7 will be a birthday for three people in Colma: June Betsehart, Donna Dennis, and Gino Landi.

On the eighth Albert Mathieu, 80 West Cavour street, and J. Schwarz, 659 San Diego avenue, will observe their natal anniversaries.

Lee Chessman, 1624 Sweetwood drive, and Allen McCahon of Colma will come into the birthday spotlight on June 9, thus finishing off this week of birthdays.

Nineteen Boys Enjoy Three-Day Camping Trip

Nineteen boys between 9 and 11 years enjoyed a three-day camping trip to Big Basin recently with members of Battery B, 149th AAA AW BN, stationed at Tanforan Navy Base in charge.

John Klinger and Bud Davis, a former scoutmaster, assisted by their wives, Lillian Klingler, a Girl Scout leader, and Marie Davis, planned the week end. The boys were taught to pitch tents and the proper use and care of camping equipment. They also learned the rules regarding plant and animal life in the national forests.

Battery "B" is the National Guard unit of northern San Mateo county.

This is a letter of "Thanks" to the men of Battery "B," National Guard of San Bruno Navy Base, for the very excellent week end they made possible to our boys. It is one they will never forget.

The thought and consideration these men have in the welfare of our youth is something we parents appreciate very deeply. With leadership and training these men pass on to our boys we feel sure they're headed in the right direction.

Thanks again, Bud Davis and Jack Klingler of Battery B, National Guard.

News Notes From San Mateo Jaysee

Funmania, the big carnival given each year by the San Mateo Junior College students, will take place this Saturday evening at the Baldwin Avenue gym and outdoor basketball court. Numerous concessions, side shows, and dancing to Roy Spivak's band will provide the entertainment. The evening affair is for the public as well as for the students. A queen, Jeanne Hall, talented dancer, will reign over the whole affair, assisted by a group of attendants chosen from neighboring high schools. The theme of Funamania will be the days of '49.

Olen Skaggs of San Mateo has been elected president of the junior college student body for the coming fall semester. He will take the office now held by Jim Brick.

As the spring term nears its close, the students are arranging numerous social events. Clubs are having final meetings and dinners, the women's groups are having dinners and installing officers, the high sophs are having a picnic at Adobe Creek Lodge, and the college music department is planning two evening programs for the public.

On June 9 the concert band, the dance band and the men's glee club will present a program in the junior college auditorium. On June 10 the a cappella choir and the orchestra will give their program. On each evening the program will present additional solo and duet numbers. The public is urged to attend and to observe the work done by the music groups.

In honor of the champion baseball team a dinner was arranged in the Matson Hall at Coyote Point Tuesday evening. Coach Herb Hudson's players have won 23 out of 25 league games in two years and are hoping to play a southern team for the state championship.

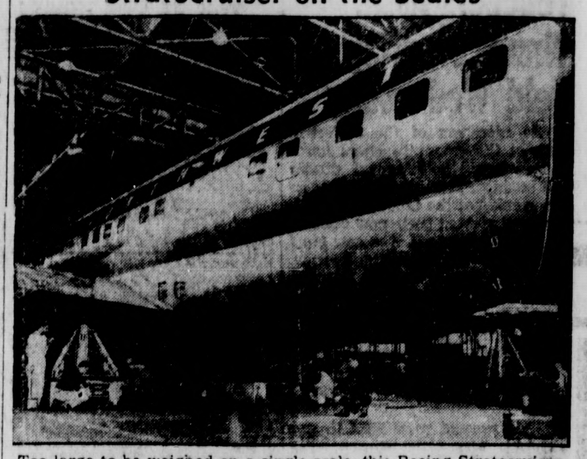
Monday evening, Community Hall closes its spring public programs, with Bert Werder, county fire warden and forester, showing movies and lecturing on the Butano redwoods, the work of the forestry service, and mountain areas and woldlife. The public is invited to the 7:30 o'clock program in the auditorium.

The California Highway Patrol Examination Expected

According to a letter received under the date of October 29, 1948, from the California Highway Patrol it reads in part as follows: "Should the Legislature grant us the additional personnel which we are seeking it will probably be necessary to conduct another examination in the not too distan future." Signed, Clifford E. Peterson, Commissioner, by E. Raymond Cato, Chief.

A photostatic copy of this letter will be shown to anyone interested in this coming examination by Consolidated Schools, 821 Market St., San Francisco. Only a few more students needed to fill our quota so hurry before it's too late.

Stratocruiser on the Scales



Too large to be weighed on a single scale, this Boeing Stratocruiser is balanced on three—one under the nose, and two at the wingroots. The plane's wheels are a scant inch off the floor of this building at Boeing's Seattle, Wash., headquarters. By adding the figures registered on each of the three scales, the total weight of the plane—71 tons—is computed.

DRINKING AND DRIVING

If you've been drinking, don't drive, advises the National Automobile Club.

TROUT ANGLERS HAVE LUCK

Trout anglers have had excellent luck during the past few days on Mill Flat Creek, which runs from near Millwood north to the Kings River in Fresno county, according to the National Automobile Club. They have been taking Rainbows running from 8 to 8½ inches in length and an occasional Loch Leven.

Get Ready for the NEXT Examination in Your Spare Time

Yes, the State Highway Patrol NEEDS men like you...men with initiative and ambition who can think for themselves. This copyrighted course of "Directed Study" will prepare you for this State examination. It covers 24 subjects and guarantees continuous service until you have passed.

THE RECOMMENDED SCHOOL

For 12 years this exclusive copyrighted course has prepared hundreds of successful candidates for the Highway Patrol.

Besides directed study our night classes are held in different cities throughout the State.

If you are from 20 to 34 years old, 5 ft. 9 or better, education equivalent to 12th grade, free of defects and in good physical condition, write today for full information. No obligation.

Please furnish me full information about your exclusive Copyrighted Course.

Skin Deep

Seeking a "different" kind of jewelry to relieve the solid black of this plunging-neckline dinner gown, designer Lili came up with this glittering leafy pattern, which is appliqued directly to the model's skin. Achieved by sprinkling sequins on a spirit gum base, the new decoration is not only smart-looking, but also foils would-be jewel thieves.

Local Man Helps Stricken Soldier

J. R. White, aviation machinist's mate, second class, USN, of 666 Bellevue street, Daly City, recently joined with members of the Air Force Search and Rescue Unit based at Hickam Field, Pearl Harbor, T. H., and units of the Pacific Fleet Naval Air Force from the Naval Air Force, Midway Island, to aid a stricken soldier aboard the Army transport General Walker.

The General Walker had radioed for serum for the soldier, who had been bitten by a dog infected with rabies. After reception of the serum, medical officers reported that the Army private was recovering.

Sixth Annual Show Slated By Dog Club For Sunday

Every member of the family interested in dogs and dog training, from Pop with his flair for a favorite gun breed on down to Junior who thinks his pal "Shep" is tops, will want to see and enjoy the Sixth Annual Obedience Trial that the San Francisco Dog Training Club s holding on Sunday, June 5, in he Balboa High School athletic stadium located at Onondaga and Cayuga streets in San Francisco.

More than 150 dogs that include 70 breeds, some coming from as far as San Diego, Reno, Phoenix, and Seattle, will compete for more than $800 in handsome trophies and official American Kennel Club ribbons. The keen competition between these intelligent, highly trained dogs will keep the whole family interested.

In addition to the full-day schedule of regular obedience trials, there will also be inter-dog-club team hurdle relay races and other special events and unusual entertainment to hold the attention of all ages of spectators.

Families who wish to come at 10 a.m. and stay all day, will find comfortable and ample seating in the grandstand. Unlimited free parking is available and ringside seats in grandstands adjoining the exhibition rings are open to all at no charge. Admission to this all-day show is free to the public. Those who wish to spread out a picnic lunch may do so, but restaurants are available nearby. If you have an obedience trained dog, John W. C. Rogers, show secretary, 733 Eleventh avenue, San Francisco 18, is accepting entries of any of the 112 breeds recognized by the American Kennel Club.

Ticklers - By George

"Great news, Chief! We can now take our place with the great nations of the world. . . . Our treasury is empty and now we can borrow money from the United States."

Mixing Gin and Water

Using a special card-playing board, this trio engages in a hot game of gin rummy in cool surroundings in a pool at Miami Beach, Fla. The board, designed to make a water sport out of the pasteboards, has two elastic bands to keep the cards in place. The players, left to right, are Mary Mullen, of Los Angeles; Tannes Tappen of Monte Carlo, France, and Jessica Paz, of Philadelphia. Needless to say, the pen used to keep score writes under water.

Druids Install New Officers

Installation of officers of Green Valley Circle No. 73, Druids, was held on Monday, May 9. The following officers were installed for the ensuing term: Norma Guisto, junior past arch druidess; Antonette Orso, arch druidess; Josephine Stagnaro, first bard; Olga Barsanti, second bard; Bessie Hackmaier, recording secretary; Catherine Allesandri, financial secretary; Rose Brizzi, treasurer; Inez Hartman, conductress; Evelyn Wanderer, assistant conductress; Marguerite Sweeney, chaplain; Irene Tiscornia, inside guardian; Lucy Della Rocco, outside guardian; Lou Bennett, musician; Josephine Macchi, Prima Jessup, Dorothy Harris, trustees; Mary Vallerga, Elda Salvi, Ida Biancalana, auditors.

Refreshments were served following the meeting by Chairman Connie Castelli and her committee.

DON'T SHIELD LIGHT

If you simply cannot take the car entirely off the road to make a tire change or other minor repair at night at least remember to work in such a way that the tail light of your car will be visible to overtaking drivers, advises the public safety department of the National Automobile Club. A number of serious mishaps in recent months have indicated that this seemingly obvious necessity is being overlooked.

SALMON LANDED

A few large salmon have been landed during the past week along the Sacramento River in the vicinity of Princeton, Colusa county, reports the National Automobile Club.

New Address? Better Notify The Motor Vehicle Dept.

The Department of Motor Vehicles today requested cooperation of California motorists in providing prompt notice of change of address.

"The latest address of every registered motor vehicle owner and every holder of an operator's or chauffeur's license is essential to the efficient operation of the Department of Motor Vehicles," Director A. H. Henderson said.

"The California Vehicle Code provides that the Department shall be notified in writing within 10 days of both the old and new address."

Many motorists, Henderson said, disregard this provision and consequently sometimes fail to receive important documents concerning their vehicles.

He said that it was particularly essential that the correct address be provided for potential registration cards which soon will be prepared for next year. Failure to receive a potential registration card for 1950 may cause the motorist much unnecessary delay in receiving his registration.

DON'T GUESS

Be wary of the driver who gives vague arm signals, warns the California State Automobile Association, for careless signalling is usually the mark of the careless driver. It's safer to slow down until such a driver executes the action his signal was intended to convey.

Veterans Weekly News Column

Veteran-students who acquire dependents or additional dependents while in training under the GI Bill should notify Veterans Administration as soon as possible, so that VA can determine whether they are eligible for increased subsistence payments.

Notice of change in dependency status should be sent to the VA Regional Office in which the veterans' records are kept. The notice should be accompanied by legal evidence of dependents, such as a certified copy of public record of birth, baptism or marriage.

Subsistence payments will be increased as of the date legal evidence is received by VA, and will not be made retroactive to the date the veteran actually acquired the dependent.

Monthly subsistence allowances for veterans studying full-time in school are $75 for those without dependents, $105 for those with one dependent, and $120 for those with more than one dependent.

Any veteran whose eligibility for GI Bill educations runs out after he completes at least half of a school semester which is normal in cost may complete the remainder of the semester at government expense, Veterans Administration said.

The veteran also will receive subsistence allowances for the remainder of the semester.

Question: I intend to enter school under the Servicemen's Readjustment Act in January. When should I apply for my certificate of eligibility?

Answer: If you wish to enter training under the G-I Bill, you should apply for your certificate of eligibility at least 30 days before the enrollment date.

Question: What assistance can be given me by VA in furthering my claim for compenscation when the official records are not available or are incomplete?

Answer: VA contact representatives are authorized by law to aid claimants in the preparation and presentation of claims. Your contact representative will assist you in preparing an affidavit giving complete history of sickness or injury.

Question: I am a World War II veteran and would like to know if a medical examination is necessary before my claim, filed at discharge, can be rated?

Answer: It is not necessary if the service records give sufficient information in your claim filed at discharge, or if a claim is filed within six months after discharge.

Question: Is there a time limit in which I, a World War I veteran, may file a claim for compensation for disability caused by my war service?

Answer: There is no time limit set for filing claim for compensation. However, if a claim for disability compensation is not filed within one year from date of release from active service, compensation may not be awarded for any period prior to date of claim.

Veterans interested in qualifying for positions as California highway patrolmen are advised by Floyd D. Granger, veterans service officer, to be wary of signing up for correspondence courses laying claim to official status in preparing them for examinations.

"A number of veterans have signed contracts with agents of various schools," Granger reported, "only to find upon investigation that no school at all has any standing with the State of California as a highway patrol trainer. The highway patrol maintains a school of its own, but only for men accepted for appointment following the usual civil service examinations."

Mr. Granger reported that no examinations for highway patrolman will be held for at least several months to come.

He suggested that interested veterans write for information either to the State Personnel Board or to the California Highway Patrol in Sacramento. Application forms for preference credits granted to veterans in State civil service evaminations are available at the Veterans Service Office in the Courthouse, Redwood City.

STRIPED BASS ANGLING

Striped bass anglers have been enjoying fair sport recently off China Camp, Marin county, according to the National Automobile Club. Although fish are small, a fair number of limits have been taken.

TROUT FISHING AT DONNER LAKE

Trout fishing at Donner Lake, Nevada county, has been fair to good during the past week, reports the National Automobile Club. Anglers using deeplining seem to be having the best luck.

The late William Simon U'Ren of Oregon has been described as the "father of the initiative and referendum."

HI-LITES AT C.C.S.F.

By Roy Hurlbert

Louis G. "Dutch" Conlan is the new president of City College as of July the first when Dr. Archibald J. Cloud hands down his gavel of authority with his retirement.

Conlan, who prefers being called by the nickname, is no newcomer to the real estate over which he is about to supervise. Dutch was among the institution's first faculty as coach of a title winning basketball squad back in '36 and remained out Ocean and Phelan way until the spring of '43 when Uncle Sammy demanded his presence elsewhere. This departure saw him land at Columbia U where he undertook naval training and thereafter he proceeded to Big Town — Great Lakes. Upon discharge an appointment to take over as principal of Mission High was accepted.

Outgoer Cloud thinks his successor will be right at home when the latter's inaugural semester gets going next fall. At least one department is certain of the fact that things'll look rosy. That's Athletic Director Jack Gaddy and his staff of gym instructors and coaches. Dutch is well acquainted with these boys especially. Seems as how Conlan played a pretty mean brand of football a few autumns back over at Moraga for St. Mary's, enuf to warrant more than a so-so rating by the sports writing crowd. He's a staunch patriot of the grid game and a devotee to all athletic activity in general. Louis G. totes a whistle each football season as an official in prep and collegiate tilts.

Right in order with the above info is a listing of the results of last week's student body elections. As reported earlier, Harry Williams "walked" in as Associated Student president, with no one to oppose for that office. Only on-sixth of the possible votes was cast, a meager showing, with the fraternity brothers and sisters holding a decisive margin in most positions won. Ronnie Morrison, a cute little lady trimmed Independent candidate Fran McCarthy for V-P honors. Robert Broune snared the yell leader job from Ed McHale, and excepting this return and a majority of council seats, the unattached runners didn't fare too well. The victors get down to business officially next semester.

Straight talking Pete Isola, near the end of the trail as current prexy, speaks up as class salutatorian for the fast approaching commencement exercises on June 17.

ATHLETIC DOINGS

Like everything else, the calendar of Ram sports is dwindling in with the waning "daze" of the term. All local teams have cast aside their equipment having completed their intercollegiate schedules. Foremost in the spotlight now is the intramural program which winds up and stacks away muscle routines by another week.

Squad Captain Dick Lamar's powerful Balboa Blues took their second pigskin crown in succession in besting the weary Scoreless Wonders, 6-0. The Blues got their initial championship a year ago, but were declared ineligible for last campaign which strangely enough was dominated by these same Scoreless Wonders, then known as the Balboa Wildcats. Leaders of the attack were Lou Pisani, Bob Marcus, basketballers Kev Duggan and Bob Matheny, Ken Brown, and former All-City tackle Bob Corbett, out of St. Ignatius. Outweighed though not outfought in the losing battle were Harv Roscelli, Don Lakin, Emmett Lynch, Frank Monte, Morry Kerner, Lee Jones, Jim Leaskou, another great lineman from the preps in his day, Bob Williamson, and yours truly. Anyway, regardless of the outcome, it was like a family affair, because the Balboa Alumni were plentiful on both rosters.

Softball competition started Tuesday, the last of the name games yet to be settled.

ODDS AND ENDS

Gifted Bob Sherrat heads the cast of Naughty Marietta which concludes a four-night stand Saturday evening in the campus auditorium. The opera opened Tuesday after Co-directors Flossita Badger and Lloyd Sisler rounded up a stellar group of thespians for the New Orleans classic. Roy Barnett performs a villainous role as Bras Pique while others doing a footlight special are Joan Anderson as Marietta, Ross Price, Gerry Lustig, Fred Curley, Alfred Hernandez, Tony Cuevas, Barbara Andress, Pat Fitzgerald Jackie Deasy, Gladys Amburn, and Jo Ann Setlow. Luba Schubin shares the feminine lead as oh-so-naughty Marietta.

Ram-Pages, the jernt's one-and-only year book was released to ticket holders on the day after the just-concluded week-end holiday. Well represented in the neatly-bound edition are typical phases of campus life ranging from social scenes to gymnastics.

CALIFORNIA RODEO

The Thirty-Third Annual California Rodeo will be held in Salinas June 16 to 19, inclusive. With bull riding, steer wrestling, calf roping, wild cow milking, wild horse racing, Roman riding, and a giant evening parade, the rodeo will offer contestants prize money amounting to approximately $50,000 and spectators one of the most colorful shows put on in the western states.

Resort Job Lists Centered In S.F.

To expedite supplying help to northern and central California resort owners, the California State Department of Employment service has centralized its listing of applicants in San Francisco this year. Those seeking waiters, waitresses, cooks, housekeepers, etc. for employment at summer resorts should communicate with R. S. Dixon, State Employment Office, 170 10th street, San Francisco 3, telephone HEmlock 1-3800.

YOUR RESPONSIBILITY

Traffic laws, enforcement and highway engineering are all vitally important to traffic safety, but in the final analysis the prevention of traffic accidents rests with individual drivers, says the California State Automobile Association. Keep alert. Don't get hurt.

Millbrae Loses Out To Burlingame In Annexation Fight

Millbrae had a run-in with Burlingame last week, which ended in a decision for the latter.

Millbrae had appealed a recent decision of the District Court of Appeals in which Burlingame won its fight against the annexation by Millbrae of certain Mills Estate property. The State Supreme Court refused to hear the case, thus leaving the status of Millbrae as an incorporated area again in doubt.

A previous effort on the part of Millbrae to annex Lomita Park failed also. Now the Mills property is lost to the city, with Burlingame being the victor. An attempt to capture the Lomita Park office district is still on the fire.

Harvesting Record Sugar Cane Crop

Field workers load narrow-gauge railroad cars with part of the largest sugar cane crop in the history of Puerto Rico. This year's total harvest will reach 1,250,000 tons, a welcome asset in the island's effort to win a stabilized economy. More than 90 per cent of the sugar produced by Puerto Rico is shipped to the U. S.

New City Manager For South San Francisco

Mark Larwood is the new city manager of South San Francisco.

Hired last week by the city council of that city, Larwood is 47 years old, lives in Redwood City with his wife and two children, and has been active in the engineering business for many years.

His duties as defined in an ordinance adopted recently are to see that all laws and ordinances are fully enforced, to hire and fire all officers and employees except those under civil service, and to transfer employees where permissible, and exercise control over all departments and divisions.

He is to recommend adoption of measures and ordinances to the city council, advise the board on financial conditions and needs of the city, prepare and submit an annual budget, prepare and recommend a salary plan, and be the purchasing agent for all departments.

Finally he is to be the administrative head of the city government, but under the directon and control of the city council. His salary was set at $600 monthly.

Pvt. Reita Kinsman Recent Graduate At WAC Training Camp

Private Reita C. Kinsman, daughter of Mrs. Loreita Kinsman, 224 Los Banos, Daly City, recently graduated from the clerk-typist course at the Women's Army Corps training center, Camp Lee, Virginia, and upon completion of the course was promoted to the grade of private.

The clerk-typist course in addition to advanced training in typing also includes Army correspondence, administrative details such as morning and sick reports, duty roster, orders and filing.

Private Kinsman is a graduate of Bothell high school, Bothell, Washington, and was a member of the Girls Glee Club, Bowling Team and Skate Club.

She enlisted in January of 1949 at San Francisco.

Private Kinsman's assignment is with the personnel section of the training center, Camp Lee, Virginia.

ERRATIC AUTO WHEELS

Badly worn parts in the steering assembly may cause a car to develop front wheel "shimmy" when traveling at low speed, according to the California State Automobile Association. "Shimmy" at high speed is usually caused by unbalanced wheels and tires.

Mission Santa Clara de Asis was founded by Father Tomas de la Pena on January 12, 1777.

COUNTY FAIR BOARD PLANS TO ENLARGE FAIR GROUNDS

Floyd B. Tower, president of the San Mateo county fair association, announced plans to acquire another 155 acres for the fair grounds at Bay Meadows.

The land, located north and east of the present 25-acre development, would extend the fair grounds to 19th avenue on the north and to Bayshore highway on the east.

Enlargement of the fair grounds is part of an over-all program to make the facility a year-round public center.

Let us be the first to extend Best Wishes . . .

A Wedding is an event that is long remembered.

LONG EXHAUST PIPES

Long exhaust pipes are useful for other things than carrying the noise of the engine beyond the car where it will be less disturbing to its occupants, declares the National Automobile Club. They offer the car owner a pretty easy opportunity to check the smoothness of the engine's operation after it has been thoroughly warmed up. A break in the purr at the end of the pipe is a sign of a missing cylinder.

Since the days of '49 San Francisco has been the center of the West's mining interests.

The production of raisins was a flourishing industry in Armenia 400 years before Christ.
